THE MENU COLLECTION

MENU COVERS

ELEVATED
PRESENTATION
FOR
HOSPITALITY

Presentation is part of the experience.

THE FIRST IMPRESSION STARTS AT THE TABLE

A menu cover is more than protection for a menu. It is one of the first physical details a guest touches, setting the tone for the experience before the first course arrives.

Thoughtful materials, refined proportions, and precise finishing turn a simple menu into part of the venue's identity—adding consistency, character, and a sense of quality to every table.

Because the smallest details are often the ones guests remember.

A bold surface. A refined statement.

EXOTIC TEXTURE MENU COVER

Designed to frame every menu beautifully, it brings elegance, order, and a polished brand presence to the table.

Crafted in genuine leather, embossed leather, or premium vegan leather, this menu cover brings a distinctive crocodile-inspired texture to the table while maintaining a clean, architectural profile.

Our Story

Founded in New York in 2010, SADE creates refined, functional aprons for hospitality, retail, creative spaces, and custom brand projects.

Each piece is designed with a focus on quality materials, thoughtful details, comfort, and durability—from canvas and waxed finishes to leather accents, embroidery, and personalization.

Whether we are producing a single signature design or developing a complete apron program for a large team, the objective remains the same: workwear that performs beautifully and represents the brand wearing it.
